

Education

Carnegie Mellon University , Pittsburgh, PA Ph.D., Societal Computing, <i>Advisors: Steve Rathje, Bob Kraut</i>	Aug. 2024 – Present
Carnegie Mellon University , Pittsburgh, PA M.S., Societal Computing	Aug. 2024 – May 2026
Cornell University , Ithaca, NY B.S., Computer Science with Honors, <i>magna cum laude</i>	Aug. 2020 – Dec. 2023

Research Experience

Data & Society

Research Assistant, Supervisor: Ranjit Singh Oct. 2025 – Present

- Topics: mental health chatbots, affective use of LLMs

Human-Computer Interaction Institute (HCII), Carnegie Mellon University

Graduate Research Assistant, Advisors: Steve Rathje, Bob Kraut Aug. 2025 – Present

- Topics: human-AI interaction, AI sycophancy, social media and wellbeing

Software and Societal Systems Department (S3D), Carnegie Mellon University

Graduate Research Assistant, Advisor: Patrick Park Aug. 2024 – Aug. 2025

- Topics: social networks, online communities, opinion dynamics, context collapse, self-presentation

Department of Computer Science, Cornell University

Undergraduate Research Assistant, Advisor: Jon Kleinberg Aug. 2023 – Feb. 2024

- Topics: social networks, information networks, online communities, opinion dynamics

Department of Information Science, Cornell University

Undergraduate Research Assistant, Advisor: Malte Jung June 2021 – Dec. 2023

- Topics: human-robot interaction, ludic design, domestic robots

Department of Information Science, Cornell University

Undergraduate Research Assistant, Advisor: Qian Yang Feb. 2021 – May 2021

- Topics: data-driven AI design, women's health and intimate technologies

Honors & Awards

Sansom Graduate Fellow , Carnegie Mellon University	2025 – 2026
Rawlings Cornell Presidential Research Scholar , Cornell University	2020 – 2023
John McMullen Dean’s Scholar , Cornell University	2020 – 2023
Dean’s List (all semesters) , Cornell University	2020 – 2023

Teaching

Teaching Assistant, Carnegie Mellon University <i>Network Analysis (17-338 / 17-668)</i>	Fall 2024
--	-----------

Service

Student Advocacy and Mentorship:

CMU Graduate Student Association, Societal Computing Student Representative	2024–Present
CMU SCS Undergraduate Research Opportunities, Mentor	2024–Present
CMU Software and Societal Systems REU Program, Mentor	2025
CMU Graduate Application Support Program, Mentor	2024, 2025
CMU Software and Societal Systems REU Program, Admissions Committee	2025, 2026
CMU Societal Computing PhD Admissions Committee	2026
CMU Graduate Student Campus Affairs Committee	2026
AI Research Institute on Interaction for AI Assistants (ARIA) Student Leadership Council	2026–Present

Research mentees: Aria Lakhmani (CMU Undergraduate), Changyang Wu (CMU Undergraduate), Ngoc Ta (CMU REUSE)

Conference Reviewer:

IC2S2	2025
-------	------

Industry Experience

Cisco, San Jose, CA

<i>Technical Intern I</i>	June 2023 – Aug 2023
---------------------------	----------------------

- Re-implemented Neo4j configuration database schema generation and insertion logic to separate from application-server’s startup workflow in Java.
- Solution improved schema inconsistency detection as well as avoidance.

Verizon, Richardson, TX

Network Engineering Intern

June 2022 – Aug 2022

- Implemented an improved database webserver using MySQL, PHP, CSS, and other web development tools.
- Business impact increased efficiency for the QA and metrics team by retiring legacy platforms and creating automation—consequently improving accuracy of data for the quality assurance team.
